**PURPOSE:**
This bulletin provides guidance to school, Educational Service Center and central office staff for the operation of 2012-2013 state mandated committees established by the Superintendent to advise on matters pertaining to programs and use of funds for targeted student populations. The purpose, function and operation of each committee described in this bulletin is aligned with the goals of the District’s Parents as Equal Partners Resolution and meets all California Department of Education (CDE) requirements for the operation of school and district level committees. Any changes to the District’s allocation of state/federal categorical funds may result in additional policy modifications.

**MAJOR CHANGES:**
This bulletin replaces BUL-5701.0 and supersedes all prior LAUSD bulletins, memoranda, bylaws, directives and policy guidelines related to the purpose, function and operation of School Site Councils and advisory committees at the central, local district and school site levels.

Major changes in this bulletin include the elimination, establishment and/or modifications of the following central and school-level committees:

- **District English Learner Advisory Committee (DELAC)**
  The DELAC will continue to advise the District on matters pertinent to programs and use of funds to support English Learners (ELs) as mandated by California Education Codes 52176 and 62002.5. Major modifications include the composition of and election process for DELAC members.

- **District Educationally Disadvantaged Youth Advisory Committee (DEDYAC)**
  The DEDYAC is established for the 2012-13 school year to advise the
District on programs and use of Economic Impact Aid (EIA) funds to support educationally disadvantaged students in targeted schools. This committee advises on the use of the District’s EIA funds to support educationally disadvantaged students and does not advise on the use of Economic Impact Aid-Limited English Proficient (EIA-LEP) funds. The committee meets all CDE requirements for districts administering Economic Impact Aid funds.

- **School Advisory Committee (SAC)**
  SACs are to be established at all schools receiving EIA funds for educationally disadvantaged youth.

- **Local District Parent Engagement Advisory Committee (LDPEAC)**
  LDPEACs are eliminated

- **Local District English Learner Advisory Committee (LDELAC)**
  LDELACs are eliminated

- **Compensatory Education Advisory Committee (CEAC)**
  CEACs are eliminated

- **Parents as Equal Partners Advisory Committee (PEPAC)**
  PEPAC is eliminated and a district-wide steering committee comprised of “partner stakeholders” will be convened to oversee the implementation of the Parents as Equal Partners Resolution and Task Force recommendations.

**GUIDELINES:** The Chief of School, Family and Parent/Community Services is responsible for assisting schools and Educational Service Centers (ESCs) in ensuring schools welcome and engage parents as partners in their children’s education and in implementing all mandates regarding School Site Councils and parent advisory committees.

This bulletin affirms the role of the School Site Council as a decision-making council (subject to the approval process described in Section I below) and the advisory role of all other committees. Parent advisory committees and their individual members are not authorized to expend public funds, enter into contracts, or otherwise place liability upon the District.

**Educational Service Center Superintendents, ESC School Directors, ESC Parent and Community Engagement Administrators and School Principals have the responsibility to inform parents and all stakeholder groups, of the provisions of this bulletin and to monitor the appropriate operation of all committees.**
SECTION I: SCHOOL SITE COUNCILS AND ADVISORY COMMITTEES

A. School Site Council (SSC)

California Education Code 64001 requires that districts receiving state, federal and other applicable funding through the Consolidated Application (ConApp) process ensure that participating schools prepare a Single Plan for Student Achievement (SPSA). The SPSA is a blueprint to improve the academic performance of all students to the level of the targeted performance goals of the Academic Performance Index (API), the Adequate Yearly Progress (AYP) measures, and the LAUSD Performance Meter.

Pursuant to California Education Code 52852, every school operating a school-based coordinated program shall establish a School Site Council (SSC) as the decision-making council for all programs funded through the ConApp. The SSC is responsible for all federal parental involvement mandates. Specifically, the school level Title I parent involvement policy, Title I parent-student compact, and the development of the Title I parental involvement budget, E046.

There will be only one SSC per school with a County District School (CDS) code, assigned by CDE. For sites with multiple schools on one campus, an SSC will be formed based on the assignment of a CDS code from the CDE, not on District-provided location codes.

By delegated authority to the Chief of Intensive Support and Intervention, the Los Angeles Board of Education approves each school’s Single Plan for Student Achievement as required by Education Code 64001 after review and recommendation for approval by the Local Instructional Area Superintendent, the Language Acquisition Branch, and other appropriate categorical program staff. For schools in Program Improvement Years 3, 4, and 5 the Local Instructional Area Superintendent must review budgets and recommend them for approval to the Chief of Intensive Support and Intervention to ensure that funding supports student needs. Until final approval is given, the school plan may not be implemented nor may funds be expended.

1. Functions and responsibilities of the SSC:

   a. Ensure that all federal parental involvement mandates are met, specifically, the creation of the school level Title I parent involvement policy, Title I parent-student compact, and the development of the Title I parental involvement budget, E046.
b. Develop and adopt the SPSA in consultation with the English Learner Advisory Committee (ELAC), other relevant stakeholders and, where applicable, the School Advisory Committee (SAC).

c. Respond in writing to written recommendations from ELAC and, where applicable, School Advisory Committee (SAC) within 30 calendar days (see Attachment A);

d. Review the school’s categorical budget and plan at every meeting;

e. Review and revise the SPSA annually, to align all goals, strategies and categorical funds to the identified instructional needs of students and to the District’s priorities;

f. Examine the following data prior to the annual revision of the SPSA and all other decision-making:

   - Student performance data, including but not limited to, periodic assessments, attendance data, AYP, API, the LAUSD School Report Card and Performance Meter.

   - Parental involvement data, including but not limited to, School Experience Survey results, evaluations from parent trainings, and participation rates in parent/teacher conferences.

g. Development and effectiveness of the school’s parent involvement policy and school compact, in collaboration with school site staff.

h. Convene at least six (6) times per year at a time that does not interfere with student instructional time and is agreeable to members;

i. Adhere to the California Open Meeting Law (Greene Act) as required by California Education Code 35147, Robert’s Rules of Order and bylaws approved by the Educational Service Center Administrator for Parent and Community Engagement (PACE) (see Attachment B1 and Section VI of BUL-5797.0);

j. Maintain the following documents on file (electronic or carbon copy) in a secure location on campus for five years and be available for review during District, state and federal compliance reviews: orientation and
election meeting announcements, ballots, minutes, records of attendance, agendas, handouts, recommendations and actions from each meeting, official correspondence, bylaws, and all written documents with recommendations from school advisory committees.

2. Composition of the SSC:

a. Elementary schools/Primary centers

- Councils will consist of no fewer than ten (10) members and be constituted to ensure parity. Half the membership will be staff, including the principal, classroom teachers and other school personnel (classroom teachers must be majority); and the other half will be parents or legal guardians (see Section IV, Part A) and other community members elected by parents.

- Councils that elect more than 10 members to the SSC may choose from the following configurations (even numbers only):

There must be parity between parents and students on the parent/community/student portion of the council.

- Student representatives must be elected by the entire student body. A SSC at the middle school level may include student representatives based on the council’s bylaws. All students under the age of 18 must have parent consent to participate (see Attachment C). Student members must participate in all meetings and trainings provided for all other members of the council.
• Secondary schools that elect more than 12 members to the SSC must choose from the following configurations (even numbers only):

c. Other types of schools:

• **Pilot Schools** with CDS codes must adhere to State statutes (Education Code 52852 and 64001). Pilot Schools must elect a Governing School Council whose composition mirrors that of the School Site Councils. While the purview of the Governing School Council may be broader than the SSC, it must, at minimum, advise on the SPSA, categorical budget and other school site council matters.

• **Span Schools** will form their councils based on the District’s classification of their school (elementary, middle, or high school).

• **Special Education Schools and Centers** with secondary students may use the same composition as elementary schools, or they may choose to follow the same composition as comprehensive high schools.

• **Affiliated Charters** are required to form SSCs and will form their councils based on the District’s classification of their school (elementary, middle, or high school). Affiliated charters, however, are not required to form School Advisory Committees or English Language Learner Advisory Committees.

3. Membership and duties:

a) Parents and legal guardians who are employed at the school attended by their child may not participate as parent representatives on the SSC but may participate as staff. Parents/legal guardians are elected by their peers and have full voting rights. Members agree to the following:

Vote in person; voting by proxy or absentee voting is not allowed; and
Be present when nominated for membership or an officer position.

   a. The SAC participates in the school’s planning process for the use of EIA funds for educationally disadvantaged youth and provides the SSC written recommendations regarding the use of such funds. The SAC must review student and parent involvement data prior to submitting recommendations to the SSC. This data includes:

      - Student performance data such as periodic assessments, API, the LAUSD School Report and Performance Meter, and AYP.
      - Parental involvement data such as parent participation rates in parent/teacher conferences, parent education classes and leadership roles; parent training evaluation and survey results, and the School Experience Survey.

   b. Convene at least six (6) times per year at a time that does not interfere with student educational time and agreeable to members;

SECTION VII: PUBLIC MEETINGS AND NOTICE PROCEDURES

A. Public Meetings:

2. All council and advisory committee meetings are open to the public. Any member of the public may address the body on any item within the jurisdiction of the council/committee in accordance with the California Open Meeting Law (Greene Act). All council and advisory committee bylaws must include a standing rule regarding public comment procedures, including the number of speakers, length and frequency of public comment. Public speakers may be limited to 1-3 minutes. It is advised to inform the public of such a rule at the start of every meeting. Such rule should be applied evenly to all speakers.

certain unusual circumstances and by a unanimous vote, may the committee allow an item not on the agenda to be considered and/or acted upon. When considering whether or not to allow a non-agenda item, the committee must determine if the item 1) presents an urgent need for action; and 2) the item/issue was unknown at the time the agenda was posted. In all cases, agenda items must have relevance to the purpose and goals of the committee.

Questions and brief statements of “no impact on pupils or employees” that can be resolved by providing information need not be described on the posted agenda.

Each agenda (see Attachment J) shall contain opportunity for the public to comment on any item within the subject matter of the council.

A. It is the responsibility of the designated administrator to ensure council and/or advisory committees operate under the Norms in meetings and/or affiliated activities regardless of location.
