

Step 1 - Parent completes the **Family Module Parent Access Request Form** and submits to the school.

Step 2 - School validates parent request and mails unique **Access Key** with registration instructions.

Step 3 - Parent logs to <http://family.lausd.net> and types in the **Access Key** to begin account registration.

Step 4 - Parent creates **Username** and **Password**.

Step 5 - Parents can then log in at any time using their new **Username** and **Password** to access student attendance and grades information online.

Steps for Parents to Get Started

Parents should call the school with any questions about their child's attendance or grades information.
